To All St. Edmund Instructors, Parents and Student/Athletes:

We would like to thank you for your patience in regards to our pick up program with St Edmund Hockey Academy.

We had recently bid on a proposal for the Pro Shop in the Castledowns Arenas. It is with great pleasure to inform you that we won the bid and will be moving from our current location to the Castledowns Arenas within the next few months.

We will continue with our current hours before and after we move, to accommodate your skaters for their on ice sessions.

We are hoping this will help you for the rest of the school year, but we are asking for a little more patience until the City gets back to us to let us know when the old tenant will be moved out and we can start moving in.

Thank You,

Terry Burrows
