## HONORS & MERIT TERM 1

The Academy would like to acknowledge and congratulate all of our student-athletes that achieved honor status in the first term and those students who received the merit award for extra effort. In the first term, the Hockey Academy had 40 of our junior high student-athletes achieve honors or merit distinction which equates to 61% of our hockey enrollment in the junior high section for the Hockey Academy. In elementary, 11 of our student-athletes received merit distinction in the area of academic excellence and for extra effort in their academics.

To achieve honors at St. Edmund in junior high, a student must achieve an average of 80% in his/her four core subjects and have no mark lower than 65% in other subjects. In junior high, the merit award is given to students who exhibit an extra strong work ethic and a positive attitude toward learning. In elementary, the criteria for the merit award luncheon has been revised from last year and is listed below. The merit distinction in elementary is given to students who exhibit academic excellence and continually demonstrate a positive attitude toward learning.

### *Elementary Academic Merit Award Distinction Criteria:*

1. Demonstrates a positive attitude and is a contributing member of the St. Edmund School community.
2. Demonstrates a strong commitment to their academics.
3. In the *Growth as a learner* section of the report card, each nominee must have no fewer than 10 "Consistently" on their report card and 0 "Rarely" in the report card for the term.

For the first term, these students listed below will be taken out for lunch at Boston Pizza. At the lunch, the attendees will be given the opportunity to put their name in a draw for various prizes.
