ST. EDMUND HOCKEY ACADEMY SCHOLARSHIP PROGRAM

The Hockey Academy is very pleased to announce the establishment of a new Scholarship Program for the Academy. The fund has been started by two (2) \$1000.00 donations by Tim Horton's [Commerce Place] and Metalworking Solutions Inc. The Hockey Academy would like to thank both of these companies for their generous donations to establish the scholarship program for the Hockey Academy. The scholarship will be used in the development of student-athletes participating in the Hockey Academy and will be awarded in recognition for excellence on and off the ice.

Criteria for awarding the **scholarships** will be to recognize student-athletes that demonstrate a balance of the three core attributes: **PASSION * PURPOSE * PRIDE**

The scholarship amount of \$2000.00 will be divided into a maximum of five (5) \$400 scholarships for selected student-athletes who meet the following criteria:

- Academic excellence, consisting of a combination of consistent effort and academic marks as evidenced in reporting periods throughout the 2010-2011 school year. It is expected that the successful applicants have received no failing grades [below 50%] in either core or complimentary subject areas at any reporting periods.
- At least two (2) Letters of Reference from school teachers, Hockey Coaches, members of the community
- Community involvement – the student athlete will be required to provide evidence of participation in the area of community or volunteer service
- Leadership qualities through on and off ice activities and as recognized by teachers and instructors
- A positive attitude toward all school initiatives as witnessed by instructors and teachers

It is our hope the core values as depicted in the attributes of this scholarship can act as a catalyst in challenging and enriching the lives of those members of the Hockey Academy at St. Edmund School.

Scholarship Selection Committees

- Scholarship award winners will be selected by the Hockey Academy staff and school administration upon review of all completed applications.
- Scholarships will be awarded on a "by application" process, meaning that student-athletes must apply for the scholarship.

Number and Value of Scholarships

Total = \$2000.00

At the present time, it has been determined that a maximum of 5 scholarships (\$400/per scholarship) will be awarded in the Hockey Academy:

Maximum (3) \$400 Scholarships awarded to junior high student-athletes [grades 7-9]

Maximum (2) \$400 Scholarships awarded to elementary student-athletes [Grades 4-6]
