

Happy Holidays!

The Academy of Hockey would like to take this time to wish all families a very happy and safe holiday. For most, no break from hockey will occur due to the many hockey tournaments that are taking place during this busy time of year. Good luck to all student-athletes participating in competitions all over Alberta, British Columbia, and Saskatchewan. Have fun and work hard! The first part of the year has been very exciting and successful and the entire Hockey Academy staff wants to keep that momentum going into 2008.

The first school day back after Christmas holidays is Monday January 7, 2008. Minor Hockey Week occurs January 11-20, 2008 for many of our Academy students. We wish all of our student-athletes the best of luck in one of the best tournaments in North America. The January schedules will be distributed to the students during the last week before holidays or can be located on the Hockey Academy website [www.stedmundhockey.com].

Merry Christmas and Happy Holidays from the Hockey Academy staff!
